## NEXXO

It's the perfect time to let your dream of a perfect, mobile holiday come true. After all, now we are offering you five of our bestsellers in an attractive special edition at an absolutely great price. Get in and experience how exciting it can be to discover the world in one of our "fifty-five" models.

The promises made by the Nexxo's sporty exterior in graphite and white are also kept

on the interior. Two people will not only find plenty of space, but will also find the atmosphere of comfort and well-being typical of a Bürstner. This is true both for the cosy living area as well as the bedroom in the rear with high-quality cold foam mattresses.

Functionality, combined with a chic design, characterises the interior concept. The overhead cupboards in the elegant two-tone

Mora Pine finish provide plenty of storage space. The living design in Ferra leather not only guarantees the highest degree of seating comfort, but is also durable and easy to clean. In the FlexoBad (flexible bathroom), the sink and mirror swivel to the side in a matter of seconds to reveal a generously proportioned shower area.

The complete standard features of the "fifty-five" models can be found on the last inside pages.

## IXEO TIME

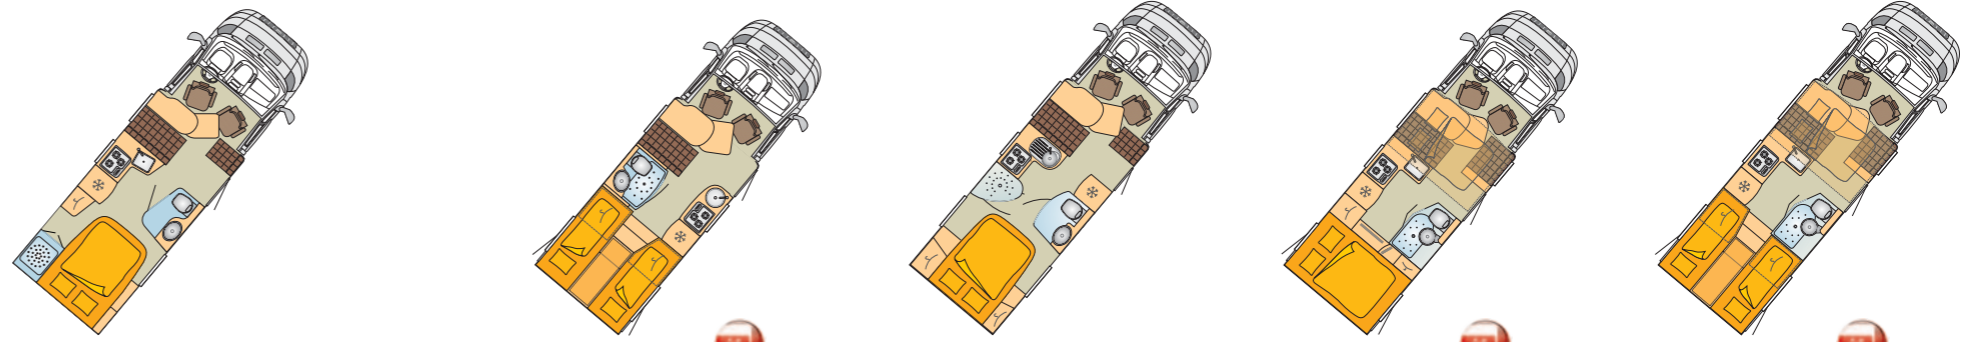

Do you enjoy travelling with friends, children or grandchildren? Then the Ixeo time is just the right model for you. After all, as the inventor of this vehicle category, Bürstner has managed to include four fixed berths in a semi-integrated motorhome. The highlight is the practical fold-down bed above the seating area. At night the ceiling drops down to reveal two full-size berths.

On the outside, its automotive design will attract countless glances. The "fifty-five" edition scores extra bonus points with its standard black polish alloy rims, skyroof, awning and LED daytime running lights. Its low-frame chassis also impresses with excellent road performance. The new, extra-wide premium cabin door with a window, window screen and low coupe entry make it easier to get inside. The rear garage with its low loading sills is conveniently accessible from both sides.

On the inside the Ixeo time it 726 G invites you rave. The combination of furniture in an Amaranth finish and Ferra leather upholstery appeals to the eyes. Generously dimensioned steps (some of which include storage space) will help you to easily get into the sleeping area with single beds. The headboards of the beds can be moved into a cosy position for reading.

The complete standard features of the "fifty-five" models can be found on the last inside pages.

**A sheer joy to steer**  
A high-quality leather steering wheel provides driving comfort you can feel.

**An orientation guide**  
The Zenec ZE-NC3711D navigational device shows you where to go. In addition to navigation and a connection to the reverse driving camera, one of the many other features includes the option to enter the vehicle profile for optimal route planning.

**Good entertainment**  
There's room for your TV (up to 21") in the chic TV cabinet so that you won't miss your favourite show.

**A bright spot**  
The opening skyroof provides fresh air and a light-flooded living area.

**You won't have to do without a thing**  
The low loading sills and the garage doors on both sides conveniently help you bring even bulky cargo on board (not available on the Nexxo t 685).

**More room**  
The awning provides pleasant shade and creates even more room for comfort and well-being.

**Alloy rims**  
The alloy rims cut down on weight and are sporty.

**Especially comfortable**  
The new, extra-wide premium cabin door with a window, window screen and low coupe entry make it easier to get inside.

**Mirror, mirror**  
Extra mirrors on the interior create a noticeably improved sense of space.

**An invitation to charge**  
A USB connection via the 230V outlet supplies the electricity to charge your smartphone or tablet.

**Pure ergonomics**  
All of the kitchen utensils can be stored in the spacious drawers for easy access.

**Freshness on board**  
A 160-litre refrigerator with a separate freezer compartment ensures that your groceries are always optimally chilled.
